

## *Cultivate Campus Coordinators*

Your Campus Coordinator serves as the liaison for all Cultivate activities at each Sandals Church campus, including acting as the Area Leader for women's community groups. Not only are they exceptionally kind women, but they are an incredible resource and would LOVE to get to know you and help you connect with our community of Sandals Church Women.

Campus Coordinators will also be your direct contact and team lead should you serve at our larger events and/or campus gatherings. Find your campus below and feel free to reach out to your Campus Coordinator using the contact information listed.
