# Cultivating a Life in Christ

Dear friend,

It takes courage to dig deeper into God's word. You proved you were a courageous woman when you took the first step and registered to join us for our Spring bible study season.

Just because our study is ending, doesn't mean your growth should. So, what's your next step?

**Here are some next steps we're inviting you to take:**

### 1) **Subscribe to the Cultivate Reflection Guide**

We study the bible every single weekend at Sandals Church! Our weekly Reflection Guide is written by women for women so that, in community or on your own, you can dig deeper into our weekend messages. [Subscribe to receive it in your inbox every Monday.](#)

### 2) **Join a Community Group**

Community is where we share our lives and grow our faith. If you want to meet wise and kind women you can talk to, learn from and grow with, we want to help you find them! [Just complete this form](#) and we'll help you connect with women who want to learn with you too.

### 3) **Start a Community Group**

If you love creating a safe place for women to connect and grow together, we want to equip you to start a community group. Invite a few women to join you OR we can send some women your way too. [Fill out this form](#) to tell us you're ready, and we'll be in touch with tools and resources.

### 4) **Get on The Growth Path**

The Growth Path encourages YOU to keep growing, while WE celebrate what God is doing in you. [Just download and log in to the Sandals Church App](#), then head to the "Me" tab. While you're in the app, don't miss our library of bible reading plans and resources.

Your next step is not a "have to," it's a "get to." No matter where you are on your journey of faith, you are worthy of the REAL growth that Jesus wants to cultivate into your life. **Take your next step today!**

Don't hesitate to reach out if there's anything myself or the Cultivate Team can do to support you. We are with you, we are for you and we love you!

Kindly,  
**Tiffany Parry**
